

FTY 112 – Forests Through Time: Discussions

Assignment #7: 20 pt

Due Tuesday, March 18, 2008

Points are give for proper usage of information from the reading, approximately 1 point per information item. Extra credit is possible by providing more information than expected.

Critically analyze “The Land Ethic” by Aldo Leopold – State and explain what you agree with, what you don’t agree with, and what you find interesting. After that, write a statement on what you believe is meant by “Forest Conservation.” The reading is on E-reserve; see the web page “Assignments” for the link to the reading.
